

1964 0127. 998
Upper Truckee River Stream Improvement Program
R.F. El Dorado. Truckee River. Stream Improvement Program.

Deputy Director

January 27, 1964

, Region II

Upper Truckee River Stream Improvement Program, El Dorado County.

This is to inform you that the stream improvement program on the Upper Truckee River carried out with Wildlife Conservation Board funds has been completed. At this time we have no plans for additional work on the stream, and any unexpended funds remaining in the stream improvement account may be recovered by the Wildlife Conservation Board.
