Mr. Bruce Robinson
Planning Director and Secretary
El Dorado County Planning Commission
Placerville, California

Dear Mr. Robinson:

I will be unable to attend your Planning Commission meeting of July 27, 1967, but would like to express our concern regarding two subdivisions which will be presented for consideration on that date. These are both subdivisions at Tahoe Paradise No. 58, 60, and 61.

We would appreciate very much your inclusion for these two subdivisions of provisions similar to those which were adopted by the Commission for Country Club Estates Unit No. 3 on the Upper Truckee River on July 13.

The inclusion of access for public fishing will make possible our cooperative future rehabilitation of the Upper Truckee River.

Sincerely,

Robert D. Montgomery
