Mr. Robert K. Lattin, Secretary
The League to Save Lake Tahoe
P. O. Box 2231, Custom House Post Office

Dear Mr. Lattin:

I was extremely pleased to receive your letter of September 1, 1967, enclosing the resolutions adopted by the League in support of our position in preservation of the Upper Truckee River. Your prompt and strong support of the Department in this situation will, I hope, go a long way to prevent the desecration of the Upper Truckee.

Thanks again for your support and cooperation.

Sincerely,
