

LOWER TWIN LAKE

EL DORADO CO.

July 26, 1949

1. New lake level set by Ed Smith, approximately 4 ft. raise above present level.
2. X mark on granite rock at base of tree southeast of present dam about 100 ft.
3. Offhand it appears there may be an increase of about 90-100 acre ft. in storage.  
EB plant noticed at outlet.
