1. SCOPE OF AGREEMENT

Pursuant to the Wildlife Conservation Law of 1947, [Fund Source]; and the approval granted by the Wildlife Conservation Board on DATE, the Wildlife Conservation Board (Grantor) hereby grants to [Eligible Public or Non-profit Entity], (Grantee), a sum not to exceed _______________________ dollars ($________________.00) (Grant Funds), upon and subject to the terms and conditions of this Grant Agreement (Agreement).

2. PURPOSES OF GRANT

Grantor is entering into this Agreement, and the Grant Funds shall be used, only for the purpose of assisting Grantee with the project generally described as: [PROJECT DESCRIPTION] (Project) on approximately ______ acres of [privately-owned] land commonly known as ____________________________________, located in ____________ County, California (Property). The Property is generally shown on the attached Exhibit A - LOCATION MAP.

3. CONDITIONS OF GRANT

Grantor's obligation to disburse Grant Funds under this Agreement is conditioned upon and subject to the satisfactory completion of all of the following conditions:

3.1 Grantor shall have reviewed and approved all documents pertaining to the Project, including, without limitation, feasibility and planning studies, designs, plans, budgets, cost estimates, timelines and agreements. Such review and approval by Grantor will be for compliance with this Agreement as well as funding and other requirements applicable to Grantor, and shall not be unreasonably withheld.

3.2 Grantor shall have reviewed and approved a certified resolution or other appropriate action of the governing board or governing body of Grantee, authorizing the execution and performance of this Agreement and the carrying out of the Project by Grantee.

3.3 Grantee shall have disclosed all funding sources for the Project, including all amounts applied for or obtained from sources other than Grantor. These amounts shall be reflected in the attached Exhibit B – BUDGET (Budget) by Budget category. As between Grantor and Grantee, Grantee shall be responsible for any and all Project costs that exceed the amount of the Grant Funds provided under this Agreement.

3.4 The grant proposal shall have been approved by the Wildlife Conservation Board at a public meeting, this Agreement shall have been fully executed by Grantor and Grantee, and Grantee shall have received a written "Notice to Proceed" from Grantor. The approval of the grant proposal by the Wildlife
Conservation Board, if such approval is given, shall not constitute authorization for the commencement of the Project or expenditure of Grant Funds. No expenditure made or activity initiated prior to Grantee’s receipt of a written Notice to Proceed from Grantor will be eligible for reimbursement by Grantor.

4. DISBURSEMENTS

4.1 Upon satisfaction of all of the Conditions of Grant set forth in Section 3, above, and so long as Grantee is not in breach or default under this Agreement, Grantor agrees to disburse the Grant Funds to Grantee, in arrears, in installments as set forth in this Section 4. Disbursements shall be made not more frequently than monthly and disbursements of less than $5000.00 should be made not more frequently than quarterly. All disbursements shall be subject to the availability of funds for purposes of the Project as provided in Section 4.8.

4.2 Grantee shall request disbursement of Grant Funds by submitting a disbursement request to Grantor in triplicate for approved budgeted work performed on the Project in accordance with Section 4.3. Disbursement shall be contingent upon approval of the disbursement request by Grantor.

4.3 The disbursement request must be submitted on Grantee’s letterhead, signed by an authorized representative of Grantee, and include a written description of the work completed during the period of the disbursement request. Requests for disbursement must be itemized using the same categories included in the attached Budget. Exhibit C – DISBURSEMENT REQUEST TEMPLATE provides the format to use for submitting disbursement requests to Grantor. Each disbursement request shall contain supporting or back-up documentation for all amounts shown on the request, including receipts for all materials and supplies, all Grantee staff time shown by number of hours worked and hourly rate, and all contractor or sub-contractor services.

4.4 Grantor may withhold ten percent (10%) of the total approved amount from each disbursement (Retained Grant Funds) until Grantor has approved the completion of the Project, the final report required by Section 6.4, and the final request for disbursement.

4.5 Upon completion of Project activities, Grantee may request disbursement of the Retained Grant Funds. Grantee shall submit this request no later than thirty (30) days after the Projected Completion Date (as defined in Section 6.1).

4.6 Requests for disbursement should be sent to:

Wildlife Conservation Board
4.7 Grantee shall reimburse Grantor for any erroneous disbursement of Grant Funds under this Agreement. Reimbursement shall occur within 30 days of written demand by Grantor. Interest shall accrue at the highest rate allowed by law from the time that reimbursement becomes due and owing until received by Grantor.

4.8 Despite any contrary provision of this Agreement, Grantor shall not be obligated to disburse any remaining unpaid portion of the Grant Funds unless and until sufficient funds identified for allocation to the Project (as further specified in the Funding Certification attached to this Agreement) are released by the State Treasurer’s Office to Grantor for expenditure for this grant. No request for disbursement submitted prior to the release of such funds to Grantor shall be effective.

5. BUDGET

The attached Budget is an estimate of the Grantee's anticipated costs for the Project and discloses all funding sources for the Project, including all amounts applied for or obtained from sources other than Grantor. Should the Budget not disclose all funding sources for the Project, Grantor may refer this grant to the Department of Finance for a Project audit. Grantee may seek additional funding from sources other than Grantor, with Grantor's approval, to cover cost increases or to reduce Grantor's cost share. Should Grantee obtain additional funds from sources other than Grantor, Grantee shall promptly notify Grantor of the amounts and sources of the additional funding and submit a proposed new budget reflecting any changes to Grantor for its approval.

When actual Project costs indicate that the costs of certain Budget categories payable by Grantor are higher than estimated, and these higher costs are offset by lower costs in other Budget categories payable by Grantor, the Grantee may submit a written request to Grantor to shift funds between such Budget categories. Contingencies shall be used only upon written approval by Grantor. Grantor shall approve or deny a requested Budget revision or use of contingencies in writing within 10 business days of receipt of Grantee's written request.

6. GRANTEE’S COVENANTS

In consideration of this Agreement, Grantee hereby covenants and agrees as follows:

6.1. Grantee will complete or cause to be completed all Project activities in accordance with Grantee’s proposed design and specifications submitted to Grantor, a copy of which is attached as Exhibit D - WORK PLAN and
incorporated herein by this reference, on or before __________________, 20___ (Projected Completion Date). The Project will be considered complete when all Project activities have been completed and Grantor has approved the completion of the Project, the final report required by Section 6.4, and the final request for disbursement.

6.2 Grantee is responsible for obtaining all necessary permits and approvals for the Project (including its construction, management, monitoring, operation, use and maintenance), and complying with all federal, state and local statutes, laws, regulations, ordinances, orders and other governmental and quasi-governmental requirements that apply to the Project (including its construction, management, monitoring, operation, use and maintenance).

6.3 Grantee shall recognize the cooperative nature of the Project and shall provide credit to the Grantor and the California Department of Fish and Wildlife on signs, demonstrations, promotional materials, advertisements, publications and exhibits prepared or approved by Grantee referencing the Project. Any sign installed on the Property referencing the Project shall be subject to the mutual agreement of Grantor, Grantee and Landowner regarding text, design and location and shall display the logo of Grantor.

6.4 Not later than 30 days following the completion of all Project activities Grantee will submit either five hard copies or one hard copy and one digital copy of a final report of accomplishments, including pre- and post-Project photographs and a final design or site plan of the Project, to Grantor.

6.5 Grantee shall ensure that the Property restored with funds provided by Grantor is operated, used and maintained throughout the Project Life consistent with the Purposes of Grant and in accordance with the long-term management plan for the Project attached as Exhibit E – MANAGEMENT PLAN. Grantee may contract with Landowner to manage the Project on behalf of Grantee, however, as between Grantor and Grantee such management will remain the responsibility of Grantee.

6.6 The Grantee shall cause the Landowner to permit Grantor,[ the California Department of Fish and Wildlife,] and ______________________, and their respective members, officers, employees, agents and representatives, to access the Property at least once every twelve months from the date of Grantor’s Notice to Proceed through the end of the Project Life for purposes of inspections, and monitoring. Such access shall be at times reasonably acceptable to the Landowner and the requester following written or verbal request to the Grantee.
7. **BREACH AND REMEDIES**

7.1 In the event of a breach of Grantee's obligations under this Agreement, Grantor shall give notice to Grantee describing the breach. If Grantee does not cure the breach described in the Grantor's notice within 90 days after the date of Grantor's notice (or, if the breach cannot reasonably be cured within 90 days, Grantee does not commence the cure within the 90-day period and diligently pursue it to completion), then Grantee shall be in default of this Agreement.

7.2 In the event of a default by Grantee before the Project is complete then, in addition to any and all other remedies available at law or in equity, Grantor may seek specific performance of this Agreement. Grantee agrees that specific performance is an appropriate remedy because the benefits to Grantor from Grantee’s completion of the Project in accordance with this Agreement, as described in Section 2 (Purposes of Grant), are unique and damages would not adequately compensate Grantor for the loss of such benefits.

7.3 In the event of a default by Grantee, in addition to any and all other remedies available under this Agreement, at law or in equity, Grantor may require Grantee to reimburse the Grant Funds to Grantor in an amount determined by application of the following Reimbursement Formula:

"Reimbursement Formula"

Formula: Dollar amount of Grant Funds divided by Project Life, times the number of years remaining in the Project Life.

Example: Grantor grants $50,000.00 to Grantee for the restoration and enhancement of wetland and riparian habitat, and the Project Life is 25 years. With 10.5 years remaining on the Project Life, the Grantee is in default under the Agreement. The reimbursement amount would be $21,000, calculated as follows:

\[(\frac{50,000.00}{25\text{ years}}) \times 10.5\text{ years} = 21,000\]

Reimbursement shall be due from Grantee immediately upon written demand by Grantor. Interest shall accrue at the highest rate allowed by law from the time that the reimbursement becomes due until it is actually received by Grantor.

7.4 Any costs incurred by Grantor, where Grantor is the prevailing party, in enforcing the terms of this Agreement, including but not limited to costs of suit, attorneys’ and experts’ fees, at trial and on appeal, and costs of enforcing any judgment, shall be borne by Grantee.
7.5 Waiver of any breach or default by Grantee shall not be deemed to be a waiver of any subsequent breach or default, nor shall it constitute a modification of this Agreement.

8. ADDITIONAL TERMS AND CONDITIONS

8.1 Grantee Responsible for Project

While the Grantor undertakes to assist the Grantee with the Project by providing a grant pursuant to this Agreement, the Project itself remains the sole responsibility of the Grantee. Grantor undertakes no responsibilities to the Grantee, the Landowner, or any third party, other than as expressly set out in this Agreement. The responsibility for implementing the Project is solely that of the Grantee, as is the responsibility for any claim or suit of any nature by any third party related in any way to the Project.

8.2 Contracts

All agreements between Grantee and any third party related to the Project must be in writing and contain language that establishes the right of the auditors of the State of California to examine the records of the third party relative to the goods, services, equipment, materials, supplies or other assistance provided to Grantee for the Project. Grantee shall provide a complete copy of each agreement over $10,000.00 to Grantor prior to commencing work.

Grantee shall obtain at least three (3) competitive bids or proposals for any portion of the Project for which Grantee intends to contract with a third party, and shall award the contract to the lowest cost responsible and qualified bidder.

8.3 Indemnification

To the fullest extent permitted by law, Grantee shall indemnify, protect, and hold harmless the Wildlife Conservation Board and the State of California, and their respective members, officers, agents, employees and representatives, from and against any and all claims, demands, damages, losses, costs (including attorneys’ fees), expenses, and liability of any nature (Claims) arising out of or incident to the Project, Grantee’s entry upon and use of the Property, and the performance of, or failure to observe or perform, any obligations of the Grantee under this Agreement. The obligations of Grantee under this Section 8.3 include, without limitation, Claims resulting from the generation, use, storage, disposal, release or threatened release of any hazardous or toxic substance, material or waste; petroleum or petroleum products and other substances that present a threat to human health or the environment.

8.4 Amendment; Severability
This Agreement may be modified only by a written amendment signed by Grantor, Grantee and Landowner. No oral or written understanding or agreement not incorporated in this document shall be binding on the parties.

If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, that shall not affect any other provision of this Agreement or applications of the Agreement that can be given effect without the invalid provision or application. To this end the provisions of this Agreement are severable.

8.5 Independent Capacity of Grantee; Withholding and Payments

Grantee, its members, officers, directors, employees, agents and representatives, is each acting in an independent capacity in entering into and carrying out this Agreement, and not as a partner, member, officer, agent, employee or representative of Grantor. Grantee is responsible for withholding and paying employment taxes, insurance and deductions of any kind required by federal, state or local laws.

8.6 No Assignment or Transfer

This Agreement is not assignable or transferable by Grantee, either in whole or in part, without the prior written consent of Grantor which Grantor may grant or withhold in Grantor’s discretion.

8.7 Accounting/Records/Audits

Grantee shall maintain complete and accurate records of its actual Project costs, in accordance with generally accepted accounting principles and practices, and shall retain said records for at least three years after final disbursement by Grantor. During such time, Grantee shall make said records available (or cause them to be made available) to the State of California for inspection and audit purposes during normal business hours. Expenditures not documented, and expenditures not allowed under this Agreement or otherwise authorized in writing by Grantor shall be borne by Grantee. The audit shall be confined to those matters connected with this Agreement, including but not limited to administration and overhead costs.

8.8 Use of Grant Funds to Secure Additional Funding

Grantee agrees that the funding provided under this Agreement shall not be used as matching funds for other grants, or to secure loans or other monetary awards without written approval from the Executive Director, Wildlife Conservation Board. Such approval shall not be unreasonably withheld as long as the purposes for which the grant was awarded are maintained.
8.9 Termination or Suspension of Agreement

At any time before Grantee has broken ground on the Project Grantor may terminate this Agreement for any reason by providing Grantee not less than 30 days written notice of termination. In addition, Grantor may suspend this Agreement at any time upon written notice to Grantee. In either case, Grantee shall immediately stop work under this Agreement and take all reasonable measures to prevent further costs to Grantor. The Grantor shall be responsible for reasonable and non-refundable obligations or expenses incurred by the Grantee under this Agreement prior to the date of the notice to terminate or suspend, but only up to the undisbursed balance of funding authorized in this Agreement. Any notice suspending work under this Agreement shall remain in effect until Grantor authorizes work to resume by giving further written notice to Grantee.

8.10 Resolution of Disputes

The State Project Representative is identified on Page 1 of this Agreement. The State Project Representative has initial jurisdiction over each controversy arising under or in connection with the interpretation or performance of this Agreement or disbursement of Grant Funds. The Grantee will diligently pursue with the State Project Representative a mutually agreeable settlement of any such controversy.

If the controversy cannot be resolved between Grantee and the State Project Representative, the Grantee must direct the grievance together with any evidence, in writing, to the Executive Director of the Wildlife Conservation Board. The grievance must state the issues in the dispute, the legal authority or other basis for the Grantee's position and the relief sought.

The Executive Director or designee shall meet with a representative of the Grantee to review the issues. A written decision signed by the Executive Director or designee shall be returned to the Grantee within twenty (20) working days of the conclusion of this meeting.

8.11 Drug-Free Workplace Certification

By signing this Agreement, Grantee hereby certifies under penalty of perjury under the laws of the State of California that Grantee will comply with the requirements of the Drug-Free Workplace Act of 1990 (Government Code Section 8350 et seq.) and will provide a drug-free workplace by taking the following actions:

8.11.1 Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited and specifying actions to be taken against employees for violations, as required by Government Code Section 8355(a).
8.11.2 Establish a Drug-Free Awareness Program as required by Government
Code Section 8355(b) to inform employees about all of the following:

a) the dangers of drug abuse in the workplace;
b) the person's or organization's policy of maintaining a drug-free
workplace;
c) any available counseling, rehabilitation and employee assistance
programs; and,
d) penalties that may be imposed upon employees for drug abuse
violations.

8.11.3 Provide, as required by Government Code Section 8355(c), that every
employee who works on the proposed contract:

a) will receive a copy of the company's drug-free policy statement;
and,
b) will agree to abide by the terms of the company's statement as a
condition of employment on the contract.

Failure to comply with these requirements may result in suspension of
disbursements under this Agreement or termination of the Agreement or both
and Grantee may be ineligible for award of any future state contracts if the
Grantor determines that any of the following has occurred: (1) Grantee has made
false certification, or (2) Grantee violates the certification by failing to carry out
the requirements as noted above.

8.12 Union Organizing

By signing this Agreement the Grantee hereby acknowledges the applicability to
this Agreement of Government Code Sections 16645 through 16649, and
certifies that:

8.12.1 No state funds disbursed by this grant will be used to assist, promote or
deter union organizing;

8.12.2 Grantee shall account for state funds disbursed for a specific expenditure
by this grant, to show those funds were allocated to that expenditure;

8.12.3 Grantee shall, where state funds are not designated as described in
8.12.2 above, allocate, on a pro-rata basis, all disbursements that support
the grant program; and

8.12.4 If Grantee makes expenditures to assist, promote or deter union
organizing, Grantee will maintain records sufficient to show that no state
funds were used for those expenditures, and that Grantee shall provide
those records to the Attorney General upon request.
8.13 Labor Code Requirements; Prevailing Wage

State grants may be subject to California Labor Code requirements, which include prevailing wage provisions. Certain State grants administered by the California Wildlife Conservation Board and the California Department of Fish and Wildlife are not subject to Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 of the Labor Code. For more details, please refer to California Fish and Game Code Section 1501.5 and to the Department of Industrial Relations (DIR) website at http://www.dir.ca.gov. Grantee shall pay prevailing wage to all persons employed in the performance of any part of the Project if required by law to do so.

8.14 Informational Products

All informational products (e.g. data, studies, findings, management plans, manuals, photos etc.) relating to California’s natural environment and produced with the use of public funds shall be cataloged in the California Environmental Information Catalog (http:/gis.ca.gov/catalog) maintained by the CERES Program (www.ceres.ca.gov).

8.15 Non-Discrimination

During the performance of this Agreement, Grantee shall not unlawfully discriminate against, harass, or allow harassment against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical disability (including HIV and AIDS), mental disability, medical condition, marital status, age (over 40), sex, sexual orientation, or use of family-care leave, medical-care leave, or pregnancy-disability leave. Grantee shall take affirmative action to ensure that the evaluation and treatment of its employees and applicants for employment are free of such discrimination and harassment. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Grantee shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 (a-f) et seq.), and applicable regulations (California Code of Regulations, Title 2, Section 7285 et seq.). The regulations of the Fair Employment and Housing Commission regarding Contractor Nondiscrimination and Compliance (Chapter 5 of Division 4 of Title 2 of the California Code of Regulations) are incorporated by reference into this Agreement. Grantee shall give written notice of its obligations under this non-discrimination clause to labor organizations with which Grantee has a collective bargaining or other agreement, and shall post in conspicuous places available to employees and applicants for employment, notice setting forth the provisions of this section. Grantee shall also include the nondiscrimination and compliance provisions of this Agreement in all contracts related to the Project.
9. NOTICE OF AGREEMENT

The terms, conditions and restrictions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their personal representatives, heirs, successors, and assigns and shall continue as a servitude running with the Property for the Project Life.

Grantee and Landowner each agrees to sign, have acknowledged by a Notary Public and deliver to Grantor for recording a separate document, in a form substantially as shown in Exhibit F - NOTICE OF UNRECORDED GRANT AGREEMENT, to provide constructive notice of this Agreement.

10. AUTHORIZATION

The signature of the Executive Director certifies that at the meeting of the Wildlife Conservation Board held on ________________, 20___, the Board authorized the award of a grant of up to $______________.00 to Grantee for the Project.
