

# SHARE HUNT - RUSH RANCH - NOV 2014

"I was one of the lucky winners of the first SHARE Programs pig hunt at Rush Ranch in Solano county in the Suisun marsh. We arrived for orientation and the land steward Ken gave us a good understanding of the hunt areas and where the pigs are sometimes seen. We had 2 hours on the first evening to size up the hunt and get a game plan.

The next morning we started hunting at 6am. Walking with one hunter on the edge of the marsh and the other deeper in the thick of the marsh proved to be a successful tactic. Around 8am, we jumped a boar out of a ditch about 15 yards ahead of us. A big thanks to Joe the caretaker for assisting us in getting the pig back to the truck. After dealing with the pig, we continued hunting for several more hours. Tired from the tough walking in the marsh, we quit for the day with one pig, and seeing a total of 16 pigs that day.

Thank you Rush Ranch and the SHARE program for putting together a great hunting opportunity. I look forward to when I can hunt there again."

Sincerely,  
**Casey S.**
