7,500 pre-paid reservations must be received before plates will be manufactured (California Vehicle Code Section §5156(b)), with distribution of plates expected within one year after manufacture. If we do not receive 7,500 reservations by January 30, 2016 (the end of the one-year period allowed for obtaining reservations) we may request from DMV a one-year extension to meet the goal. You'll receive a full refund, or, in the case of a one-year extension you'll be offered the choice of receiving a full refund or maintaining your reservation.
