Dear Sirs,

July 14, 1961

In regards to my application #19900, I agree to the inclusion of the following clause; "A year-round fish release of 4 c.f.s. or the natural flow, whichever is less."

Sorry for the delay of the present correspondence but we had several discussions with members of your department.

Yours truly,

Jerry A. Brown

Subject: Application 19600 - Weber Creek Tributary
to South Fork American River

Dear Mr. and Mrs. Brown.

The Department of Fish and Game has forwarded a copy of a letter from you agreeing to their terms for protest withdrawal. The protest of the Department of Fish and Game is hereby dismissed as any permit that may be issued will contain a clause reflecting the terms of protest withdrawal.

Very truly yours,

L. K. Hill
