Dear Mr. Verigin:

This letter is to notify the Division that the Federal Energy Regulatory Commission (FERC) has granted the District's surrender of the exemption from licensing for the Weber Dam Hydroelectric Project. Enclosed is a copy of the Order. The Order becomes effective on September 18, 2000. It is our understanding that the jurisdictional responsibility of Weber Dam will become solely the Division's as indicated in a letter from Mr. Persson to Mr. Noel Folsom, FERC, dated February 5, 1998.

Please call me at (530) 622-4534 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Steve Hutchings".
