**SUBJECT:** Bear Creek, Colusa County

1. Small trout population at very headwaters. On private property, according to J. Bowers, Game Manager I.
2. Surveyed by J. C. Fraser on 9/3/54  
Flow 2-3 cfs.  
Carp and minnows noted.  
Warden Bergstrom says he has never noted any fishing effort.  
There may be S.M.B. in the stream, but doubtful.
3. Observed by A. J. Cordone and S. Pennoyer on 10/17/58  
1.5 cfs approx., 66° F.  
Numerous squawfish seen.  
Not good game fish habitat.
