

CREEL CENSUS TECHNIQUES
LETTS LAKE
STONYFORD RANGER DISTRICT

Who: Letts Lake Campground Host/Recreation Technician

When: During high use (full service) recreation period.
At least once a week but as often as possible (even twice a week would be good).

How: Usually walk around lake, contact shore fishermen as well as boaters and ask them what their catch was - filling out the sheet.
Inspect a few fish for tags or markings.
Be polite, explain the survey and thank them for their cooperation.

For Further Info: Mike Dennis
Resource Officer

Note: census clerk indicates
Bass were being taken during
the period, but were released
by most anglers.
