Letts Lake

Department of Fish and Game
Region " 2
Sacramento, Ca.

Gentlemen:

We, the undersigned, would appreciate a fall planting of trout in Letts Lake, in Colusa County, so we may enjoy late fall fishing and spring fishing of 1989.

Some of the people, in this group, are snior citizens and extensive traveling is difficult.

Some years ago your department followed the late plant procedure and it was very well accepted.
