F ROB

S: Upper Leths 2, Colusa Co (?)

I talked to Mr. Disney, Colusa Co.
Ag. Commissioner on 7/22 re. treatment
of tubers at subject.

He has called it off due to danger
of airplane treatment. He plans
to use 2# 2-4-D/S.A. and treat
for tuber control. He will let
me know when he plans to do it.
