RPA# E-R6 LF 24-003

Fish Springs Hatchery Fish and Wildlife Technician

Final Filing Date: October 11, 2024

Contact: Co Andy McGuire, andy.mcguire@wildlife.ca.gov, 760-920-9944

Location: Inyo County

Comments: Do you have a passion for Fish? Would you like to learn and contribute to the overall process of healthy fish populations and excellent fishing? If so, please apply to join our team to produce and supply trout for the nearby lakes and streams! Fish Springs Hatchery, located near the town of Big Pine in Inyo County of the Eastern Sierra, Fish Springs Hatchery is a major producer of trout for the excellent fishing in nearby waters. Tule elk can often be viewed in the area, in addition to mule deer and myriad other wildlife.

Under the supervision of the Fish Hatchery Manager I; you are to perform the duties as a Fish and Wildlife Technician: Work assignments may occur at other facilities and locations. Perform all the necessary and required duties as required, for the position of a Fish and Wildlife Technician. Employee will work standby, weekends and holidays in rotation with co-workers. The employee is required to live in State housing, keeping it and its yard in good condition at all times. Employee is required to wear the specified approved uniform.

This position will learn about and is responsible for supporting the Department's Inland Fisheries Program. Duties include overall fish production from culture to eggs to fry and beyond. It also includes learning national water sampling protocols, hatchery and grounds upkeep, light equipment maintenance, transporting fish to a variety of waters and more. For a detailed list of duties please review the attached duty statement. This position is also a member of Regional Fish Vaccination Team, requiring periodic reimbursed travel which may last for periods of a week or more.

The following positions are vacant and subject to the Post and Bid provisions of the BU12 MOU. The Post and Bid form is available at <https://nrm.dfg.ca.gov/FileHandler.ashx?DocumentID=88533&inline> . Forms must be submitted by mail to: **Department of Fish & Wildlife HR, Attn: Classification and Recruitment Unit, P.O. Box 944209 Sacramento, CA 94244.** **Submit one form per position. We recommend that forms are sent certified mail as we are unable to verify receipt.** If additional information is needed, contact careers@wildlife.ca.gov.

RPA# E-R3 SO 23-017

Mate, Fish and Game Vessel

Final Filing Date: October 10, 2024

Contact: Colin Brennan 209-639-2686 Colin.Brennan@wildlife.ca.gov

Location: San Joaquin, Sacramento, Contra Costa County

Comments: Do you have a passion for navigating the intricate waterways of the San Francisco Estuary? Are you intrigued by the idea of blending a love of the aquatic realm with hands-on fieldwork and cutting-edge research? Dive in and set-sail with us on an exciting career voyage!

What You'll Be Doing:

Be the Captain of the Ship: From guiding our research vessels and skiffs across serene and tumultuous waters to steering the ship of knowledge, you'll be the one at the helm. More than just a navigator, you'll orchestrate onboard activities, ensuring everything and everyone is ship-shape!

Boat Whisperer: These vessels are not just tools; they're a part of our team. You'll be our go-to for all things maintenance, from the hum of the engine to the shine on the deck. Keep our boats as sparkling as the waters they sail on and ensure their longevity for numerous expeditions.

Prep & Playmaker for Fieldwork: Gear up! Partner with our scientific staff to prep vessels for field sampling adventures. Your eye for detail will be crucial as you guarantee the readiness of nets, hardware, and other equipment. Plus, you'll choreograph a monthly dance of fieldwork schedules!

Gear Guru: When nets tear or equipment falters, you'll be the magician that mends and maintains. Ensure our sampling arsenal, from trawls to gill nets, remains in top-notch shape.

Jack/Jill of All Trades: Occasionally, wear the hat of a deckhand, or even a mentor. Whether it's dipping nets into the waters or guiding new crew members, versatility is your middle name!

More information on the IEP and can be found at: <https://water.ca.gov/Programs/Environmental-Services/Interagency-Ecological-Program>

You will find additional information about the position in the Duty Statement.

Commitments to hire or promote are not valid and cannot be made until all final approvals are obtained.
