Fish and Wildlife Technician

Final Filing Date: June 8, 2025

Contact: Jason Price (858) 467-2719 Jason.Price@wildlife.ca.gov

Location: San Diego County

Comments: Working in the great outdoors! Become part of the Wildfire Resiliency team with the California Department of Fish and Wildlife (CDFW) and work in the great outdoors. CDFW employees are valued and come together to manage and protect California's diverse fish, wildlife, and habitats, for their ecological values and public enjoyment! CDFW owns and manages many back county lands know as wildlife areas and ecological reserves. CDFW needs someone to help protect these wild open spaces to ensure wildlife has a place and to help enhance public safety. CDFW Fish & Wildlife Technicians help to ensure that these wildlife areas and ecological reserves are hardened against unwanted wildfires by maintain firebreaks and defensible space around buildings, structures, roads, trails, and the wildland urban interface on Department lands. Reduce ignition sources and fuel loads through mechanical (blading, mowing, tree limbing, brush removal), and maintaining road systems to allow for emergency access. Fish & Wildlife Technicians also conduct pre work project species surveys and wildlife monitoring after work project completion.

Commitments to hire or promote are not valid and cannot be made until all final approvals are obtained.
