RPA# MR 23-P07

Fish and Wildlife Technician

Final Filing Date: April 25, 2024

Contact: Marc Heisdorf at Marc.Heisdorf@wildlife.ca.gov

Location: Mendocino

The California Department of Fish and Wildlife (CDFW) Marine Region has an opportunity for a Fish and Wildlife Technician, which will gather data for the California Recreational Fisheries Survey (CRFS). Using standardized survey protocols, this position will independently collect recreational fishery data and biological samples at public launch ramps, docks, piers, jetties, beach/banks sites and commercial passenger fishing vessels (CPFV). Specifically, this position will identify finfish and invertebrates to species and collect lengths, weights and other biological data as needed; then review, edit, and submit data to lead staff for review and data entry. Standard survey protocols and fish identification training will be provided.

RPA:E- R4 WA 23-021

RPA:E- R3 ES 23-029**Wildlife Habitat Assistant****Final Filing Date: April 30, 2024****Contact: Gina Van Klompenburg at gina.vanklompenburg@wildlife.ca.gov****Location: San Joaquin**

Comments: Does spending your workday outdoors helping to restore and manage California's wetlands appeal to you? Come see the Delta from a new perspective. The Fish Restoration Program is seeking a motivated, self-starter to work as a Wildlife Habitat Assistant. The Fish Restoration Program is part of an interagency group tasked with restoring 8,000 acres of tidal wetlands within the Sacramento-San Joaquin Delta. The Wildlife Habitat Assistant will work with program staff to plan and build restoration projects as well as manage habitats on restoration properties. This position will be responsible for maintaining equipment, planning and carrying out invasive species control, assisting program staff conducting monitoring activities, and creating and maintaining working relationships with landowners and the general public.

RPA#E-R4 IF 23-016**Wildlife Habitat Assistant****Final Filing Date: May 7, 2024****Contact: David Feliz at Dave.feliz@wildlife.ca.gov****Location: Monterey**

Comments: This position is responsible for the maintenance of the various facilities at the Elkhorn Slough Ecological Reserve. Multiple buildings, landscaping and public use facilities are all included within the responsibilities of this position. You will serve as the lead person for these functions and will also interact with the leaders of the Reserve's stewardship, research, and education programs, providing field support as needed. Assist with the safe and proper functioning of the public drinking water system. Maintain and lead the operation of a shop facility used by multiple staff and programs. Operate water control structures for the management of wetlands. Maintain a network of wildlife guzzlers. Serve as Reserve site safety officer.

On site residency is required.

RPA# NCR 23-013**Fish and Wildlife Technician****Final Filing Date: May 8, 2024****Contact: Philip Clark at Philip.Clark@wildlife.ca.gov****Location: Sacramento**

Comments: Do you love the outdoors and have an aptitude for fisheries conservation work? Come join the Department of Fish and Wildlife working to rescue Salmon, Steelhead and Sturgeon in the North Central Region. This position will help to rescue and relocate juvenile and adult, State and Federally listed species that include Sacramento River winter-run Chinook Salmon, Central Valley spring-run Chinook salmon, Central Valley Steelhead and North American Green Sturgeon in and around the Yolo Bypass including Fremont, Sacramento, and Tisdale weirs as well as Wallace Weir Fish Rescue Facility. This position supports ongoing seasonal fish collection efforts through safely operating and maintaining trapping equipment as well as performing inspections, maintenance, repair, fabrication on vehicles, vessels, trailers, and facility equipment. Essential functions will include collecting facility operations, handling fish to minimize stress, transportation of fish, project coordination and regular scheduled maintenance.

RPA# E-R5 NH 23-017

Fish and Wildlife Technician

Final Filing Date: May 6, 2024

Contact: Jason Price at Jason.Price@wildlife.ca.gov

Location: San Diego

Comments: Working in the great outdoors! Become part of the Wildfire Resiliency team with the California Department of Fish and Wildlife (CDFW) and work in the great outdoors. CDFW employees are valued and come together to manage and protect California's diverse fish, wildlife, and habitats, for their ecological values and public enjoyment! CDFW owns and manages many back county lands know as wildlife areas and ecological reserves. CDFW needs someone to help protect these wild open spaces to ensure wildlife has a place and to help enhance public safety. CDFW Fish & Wildlife Technicians help to ensure that these wildlife areas and ecological reserves are hardened against unwanted wildfires by maintain firebreaks and defensible space around buildings, structures, roads, trails, and the wildland urban interface on Department lands. Reduce ignition sources and fuel loads through mechanical (blading, mowing, tree limbing, brush removal), and maintaining road systems to allow for emergency access. Fish & Wildlife Technician, conduct pre work project species surveys and wildlife monitoring after work project completion.

The following positions are vacant and subject to the Post and Bid provisions of the BU12 MOU.
