

STATE OF CALIFORNIA

Inter-Departmental Communication

To: Department of Water Resources
 Safety of Dams Section
 1120 N Street
 Sacramento, California

Attention: Mr. Walter A. Brown

From: Department of Fish and Game

Date: AUG 13 '58

File No.

Subject: Letts Valley Dam,
 Colusa County

Transmitted herewith are two sets of cloth transparencies and two sets of specifications for subject project together with an amended application for approval of plans and specifications. Please return one set to this office on completion of your review.

This project has been discussed with your office, and the changes in the plans and specifications dated August 5, 1958, reflect the results of these conferences.

The filing fee in the amount of \$229.12 was transmitted to you April 3, 1958. The supplementary filing fee will be transmitted to you on receipt of your invoice. The revised estimated cost is \$23,007.00.

We appreciate the assistance your section has given us on this project.
