

STONY CREEK, BIG

Colusa
Butte-Tehama
Glenn-Colusa

1953 Planted below diversion dam. Water good in early season only. Temperatures expected high in late June.

Can also be planted above diversion dam via "Protector Road." (use jeep or 4-speed pickup)

This is better of the only two places that can be planted. Early season only.

Planting places T18N., R7W., Secs. 34 and 35. Colusa County Management file should be made under Colusa County.
