Opinion from downtown - not A.G.:

Page 7, Para. 14: " - - the District shall at all times permit so cfs to bypass - - - "

We, DFC, interpret "permit" to mean "assure" and "provide". In other words, it is our opinion that the District is obligated to take whatever measures are necessary to provide for fish bypass, and will see 'em via court if we have to. (But wud rather not)

AS = Paul Jensen

I assume from this the Dist must do it at their cost.
