Meeting with Glenn Colusa Irrigation District

Paul Jensen informed me that the meeting with Glenn Colusa Irrigation District regarding operations of the Glenn Colusa Diversion has been changed from May 13 to May 20. The location remains unchanged as well as the time.

This is an important meeting and I feel it should be top priority for each of you. If you cannot make it, please let me know as soon as possible. Hopefully we will all reconvene at 1000 hours at the "Pumps" on Tuesday, May 20, 1986!

Cheers!
