File No. 3005.70.200
Application No. 13082

District Engineer
Sacramento District
U. S. Army Corps of Engineers
650 Capitol Mall
Sacramento, CA 95814

Enclosed for your review and comments is a revised set of plans submitted to The Reclamation Board by Butte Creek Farms for approval to construct an irrigation pumping system on the left bank of the Sacramento River downstream of Colusa.

Your comments at your earliest convenience would be appreciated.

Sincerely,

Original Signed by

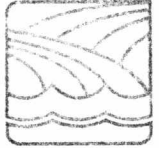

Ted Allen
Assistant Secretary
The Reclamation Board

13082

Dear Ed:

Subject: Application No. 13082 for Butte Creek Farms

Attached are four (4) sets of drawings that are necessary to complete the above referenced application. I believe these drawings have all the information on them that we previously discussed. If any additional clarification is required, please give me a call.

Sincerely,

Jack Buckley
