

Office of Spill Prevention and Response

1. AB 881 (Chesbro): Oil spill prevention and administrative fee.

- a. Summary: Existing law imposes an oil spill prevention and administration fee in an amount determined by the administrator to implement oil spill prevention activities, but not to exceed, until January 1, 2015, \$0.065 per barrel of crude oil or petroleum products, on persons owning crude oil or petroleum products at a marine terminal and thereafter the fee is not to exceed \$0.05 per barrel. The fee is deposited into the Oil Spill Prevention and Administration Fund in the State Treasury. Upon appropriation by the Legislature, moneys in the fund are available for specified purposes, including to cover the costs incurred by the Oiled Wildlife Care Network for training and field collection and search and rescue activities.

This bill would, until January 1, 2016, allow the administrator to transfer up to \$2,000,000 in funds from the Oil Spill Prevention and Administration Fund to the Oil Spill Response Trust Fund, as described, to fund specified activities of the Oiled Wildlife Care Network.
