## Comparison of Existing MPAs (Proposal 0) and Round 2 NCRSG Draft MPA Proposals by Designation Type and Level of Protection July 16, 2010

Comparison of Existing MPAs (Proposal 0) and Round 2 Draft MPA Proposals by Designation Type

Comparison of Existing MPAs (Proposal 0) and Round 2 Draft MPA Proposals by Level of Protection

<sup>\*</sup> In round two, MPAs that proposed to allow only tribal consumptive uses were assigned an "undetermined" level of protection. All other MPAs, including MPAs that proposed undefined tribal consumptive uses and other uses, were assigned levels of protection based on defined uses.
