## **Marine Life Protection Act Initiative**

## Goals and Regional Objectives for the MLPA North Coast Study Region

Presentation to the MLPA Blue Ribbon Task Force July 21, 2010 • Fort Bragg, CA

Becky Ota, Marine Region Habitat Conservation Program Manager California Department of Fish and Game

## **Round 2 Process for Objective Selection**

- For Round 2 proposals, the NCRSG:
  - 1. Selected appropriate goals for each MPA
  - 2. Drafted site-specific rationales
- After Round 2 proposals were completed, NCRSG subteams worked with California Department of Fish and Game staff to:
  - 1. Review goals identified based on MPA design
  - 2. Selected objectives based on site-specific rationales and MLPA goals
  - 3. Full gems work groups then reviewed product and approve selected objectives for each MPA
